Continence Care

# The art of discretion

The **Infyna Chic™** Hydrophilic Intermittent Catheter was designed with input from clinicians to help provide a high level of discretion for women who use catheters. It's beautiful and easy to use.

- Flip-top cap is easy to open and close with just one hand
- Prehydrated and ready to use right out of the case
- Just right stiffness helps support easy, touch-free insertion
- Case does not leak when reclosed

Easy to open with just one hand

Easy to grip and remove from case

Does not leak when reclosed

The **Infyna Chic™** catheter has a unique combination of color, design and discretion to help blend in with your life.

Beautiful packaging and funnels in pastel colors – it's the details that make the difference.

**Modern, feminine, discreet**
